

## GLOBAL EXPERT

Do you wish to work with cutting edge Israeli Startups and be an active participant in the Israeli HealthTech Ecosystem?

Are you a leading industry, clinical, scientific, regulatory, or reimbursement expert?

Are you interested in joining the 8400 Global Network?

We invite you to influence growing Israeli startups and tap into the Startup Nation ecosystem:

### BENEFITS

- Identify relevant long term collaborations with Israeli startups (as Board Members, Consultants, Scientific Advisory Board Members, Ecosystem Connectors, etc.)
- Connect with a **selective and matched** Israeli startup, based on your interest and areas of expertise
- Network with **Israeli HealthTech leaders** as well as other Global Experts who are influencing the Israeli HealthTech landscape
- Keep your pulse on the Israeli HealthTech Ecosystem through **8400 in-person events** and spotlight sessions available to the **8400 Global Network**

### COMMITMENT

- Kick off Session (virtual)** - Program expectations and connect with your global colleagues
- 4 pro-bono consultation** sessions over the course of up to **4 months**, during which you will help the startup address a pressing business, scientific or clinical challenge or area of interest

To express interest in the Global Experts program, please contact [global-experts@8400thn.org](mailto:global-experts@8400thn.org)

## STARTUP

Are you an Israeli HealthTech Startup leader with a key challenge or focus area that would benefit a global expert's perspective and individualized guidance?

Are you ready to tap into a potentially invaluable resource?

We invite you, CEOs and C-suite, to apply in order to accelerate your organization:

### BENEFITS

- Access an exclusive network of **top Global Experts** interested in supporting Israeli HealthTech
- Gain initial individualized guidance**, over the course of 4 sessions, from a top global expert focused on:
  - Go-to-Market Strategy
  - Regulatory or Reimbursement Guidance
  - Key Scientific and /or Clinical Domain Expertise
- Build your future global network with the opportunity to identify a **long-term partner** (i.e. Board Members, Consultants, Scientific Advisory Board Members, Ecosystem Connectors, etc.)

### COMMITMENT

- Attend half day in-person **Kick off and Prep session**
- Allocate sufficient time for the preparation and the sessions with your expert
- Administrative fee of 1,500 NIS

Apply [here](#) by **March 16th**. Your application will be followed by a short interview.

"The program created a perfect match. Mayo will be piloting the products and if successful may do co-development and provide a distribution channel through Mayo Clinic Platform."

- John Halamka, President, Mayo Clinic Platform (Global Expert)

"The Global Expert Program enabled GistMD to benefit from a wonderful asset. The selected group of experts is super-impressive, the matching process was designed and implemented thoughtfully and efficiently, and the ongoing monitoring and feedback is admirable."

- Amir Beker, GistMD (StartUp)
